

# Blue Choice® Rates

Plan rates are valid for coverage effective June 1, 2022 to June 1, 2023. Blue Choice Core Health Benefits and Options are separately priced. To calculate the total premium for the coverage you desire, find the monthly or annual premiums that apply to you and add them together. The oldest person on the application determines the age band and rate. Single rate is for one person, couple rate is for two persons and family rate is for three or more persons.

To be completed and returned with application
