Introduction

This Fee Supplement contains products and services The First Nations Health Authority (FNHA) provides as eligible benefits for their clients that Pacific Blue Cross (PBC) administers on their behalf.

Please note: This Fee Supplement will be updated when changes, additions or deletions are made to the contained list of products and services.

All claiming procedures are outlined in the PBC Hearing Reference Guide. For benefits that require pre-determinations as outlined in the tables below, Pacific Blue Cross will accept paper pre-determinations submitted by mail or fax (for FNHA clients only: 604.677.0277). Incomplete forms will be rejected and must be resubmitted.

Repair Rules

- Repairs will never be approved for rentals, only purchase.
- Repairs should always be used to prolong the replacement timeline of a medical supply or equipment
- Repairs are not covered if they qualify for warranty coverage.
- Repairs will only be considered when we deem the cost of repair to be more economical than the cost of replacement or the repair substantially extends the useful life of the item.
- To support repair requests, Providers must have the following:
 - Description of the medical equipment or supply requiring repair
 - The date of purchase of the original medical equipment or supply (or the age of the item)
 - Type of repair being performed
 - Itemization of repair.
 - The cost of the Repair
 - A quote with the cost of buying the equivalent medical equipment or supply
 - When applicable, please include a copy of the PharmaCare statement of coverage

| Rule Title | Description |
|---------------|---|
| Repair Rule A | Under the posted price in the Fee Supplement require the retention of the documentation to support the repair request. This documentation must be made available in the event of an audit. Over the posted price in the Fee Supplement require the above documentation to be submitted to support the repair request. |
| Repair Rule B | All documentation must be submitted to support the repair request. |

Claiming Criteria

The tables below outline Claiming Criteria requirements. The detailed requirements are summarized by three indicators 1) Yes, 2) No, and 3) History on File.

- **"Yes"** indicates the need to submit all supporting documentation at time of claim.
 - All claims submitted will pend for adjudication
 - Service descriptions can be marked with an asterisk
 - This indicates that "claims submitted will only be considered up to the posted rule" OR,
 - Service descriptions are not marked with an asterisk
 - This indicates that claims can be considered above the posted rule
- **"No"** indicates that no documentation must be submitted at point of claim, but must be retained for claim verification.
 - Some claims submitted will auto adjudicate.
 - Service descriptions can be marked with an asterisk
 - This indicates that "claims submitted will only be considered up to the posted rule" OR
 - Service descriptions are not marked with an asterisk
 - Claims submitted at or below the posted rule OR
 - Some claims submitted will pend for adjudication
 - Service descriptions that are not marked with an asterisk
 - Claims submitted is in excess of the posted rule
- **"History"** indicates that some claims may process without claiming criteria submitted at each claim if the appropriate medical history is already on the client's file.
 - Some claims submitted will auto adjudicate
 - The appropriate medical history is already on the client's file.
 - Service descriptions marked with an asterisk
 - Claims submitted at or below the posted rule OR
 - Service descriptions that are not marked with an asterisk
 - Claims submitted at or below the posted rule
 - Some claims submitted will pend for adjudication

- The appropriate medical history is not already on the client's file and/or,
- Service descriptions are not marked with an asterisk
 - Claims submitted is in excess of the posted rule

Allowable Prescribers

Each benefit has a corresponding list of allowable prescribers. The following acronyms are used throughout this Fee Supplement to outline which professionals are allowable prescribers for an item/service.

Please ensure that the item/service you are providing has been prescribed/recommended by the allowable prescriber. Keep all supporting documentation on file in the event of an audit.

| Acronym | Prescriber Type |
|---------|--|
| MD | Physician (including GPs and Specialists) |
| NP | Nurse Practitioner |
| RN | Registered Nurse |
| SLP | Speech Language Pathologist |
| AUD | Audiologist |
| RHIP | Registered Hearing Instrument Practitioner |
| ENT | Otolaryngologist |

Claiming Guidelines

Pre-Determinations

- For expensive hearing products, it is recommended that claim-payment validation is received prior to purchasing.
- Pre-determinations are a simple way to check if the hearing product will be covered, and how much it will be reimbursed for.
- Pre-determinations may require specific claiming criteria to be included with the quote.
- Regardless of whether a pre-determination is submitted prior to a claim, all claims will be considered using the same claiming criteria requirements.

Provider Claims by Paper

Submit a completed [PBC claim form for FNHA clients](#), ensuring expense itemization. Attach any additional required documentation as outlined in the table below to the claim. All records of the purchase must be retained and are subject to review.

Provider Electronic Claims

For eligible electronic claims, all records of the purchase must be retained and are subject to review. Retain any additional required documentation as outlined in the table below.

Client Claims by Paper

Submit a completed [PBC claim form for FNHA clients](#) with the attached official itemized receipt showing the expense was paid in full. Attach any additional required documentation as outlined in the table below to your claim.

Client Electronic Claims

For eligible electronic claims, retain a copy of the official itemized receipt showing the expense was paid in full. Retain any additional required documentation as outlined in the table below.

Itemized Receipts

Pacific Blue Cross' standards for itemized receipts follow the standards outlined by CLHIA in the Service and Supply Provider Receipt Best Practices for Group Benefit Reimbursement. Suggested fields include:

- Receipt date
- Date of service/supply
- Services Billed by Monthly Fee
- Government plan payment
- Other payment
- Provider name
- Provider address
- Provider phone number
- Provider professional identification, designation or credentials
- Patient name
- Type of service/supply provided
- Quantity provided
- Length of treatment
- Charge amount
- Taxes (as applicable)
- Receipt number
- Method of payment
